RG-Boardmate-B V2.0

“

”

The screenshot displays the RG-Boardmate-B V2.0 software interface. At the top, there is a navigation bar with a search icon and a '我的课堂' (My Classroom) button. Below this, a sidebar menu is visible, showing '第五章 相交线与平行线' (Chapter 5: Intersecting Lines and Parallel Lines) expanded. Under this chapter, there are two sub-items: '5.1 相交线' (5.1 Intersecting Lines) and '5.2 平行线及其判定' (5.2 Parallel Lines and Their Criteria). The main content area shows a lesson titled '5.4 平移-导学' (5.4 Translation - Guided Learning). Below the title, there is a play button icon and the text '含(1)条资源' (Contains 1 resource), '2020-03-09 20:22 推送' (Pushed 2020-03-09 20:22), and '已推至：八年级(2)班' (Pushed to: Grade 8(2) class). A dropdown menu is open, showing options: '数学活动' (Mathematics Activity), '小结' (Summary), and '复习练习' (Review Exercises). Below the dropdown, there is a section for '章末复习五' (Chapter 5 Review). At the bottom, there is a navigation bar with icons for '第六章 实数' (Chapter 6: Real Numbers), '第七章 二元一次方程组' (Chapter 7: Systems of Linear Equations in Two Variables), and '第九章 不等式与不等式组' (Chapter 9: Inequalities and Systems of Inequalities).
